**To whom so ever it may concern**

This is to certify that M/s NPS Power Solution Pvt. Ltd (formerly known as NPS Power Industries) has supplied and installed approx. 400 nos. on-line UPS systems of 2.0 KVA capacity in our bank.

These UPS systems were supplied between years 2009 to till date.

All the above UPS systems are functioning well and up to our complete satisfaction since the day of Installation.

The support services rendered by M/s NPS have also been to our expectations.

We wish them to maintain the same quality and support for the further years too.

Thanking you.

Manager (C.B.S.)
